Venom Full Synthetic Racing SJ Motor Oils

Venom® Full Synthetic Blend Racing motor oils are premium products designed to provide critical protection to high performance engines. Formulated with synthetic base stocks Venom® Full Synthetic Racing SJ motor oils are designed to give high performance under extreme racing conditions. API quality SJ additive technology is utilized along with additional performance boosts of ZDDP for extra antiwear and calcium based detergent to promote engine cleanliness. This blend of high quality components in a full synthetic base stock gives the extra performance required for racing conditions.

Properties

- Full synthetic formulation
- Improved detergency to promote engine cleanliness
- High Sulfated Ash, Phosphorus & Sulfur (SAPS) formulation
- Provides the ultimate anti-wear protection for high performance engines
- Low oil volatility

Application Recommendations:

Venom® Full Synthetic Racing SJ motor oils are recommended for high performance engines where exceptional engines protection is needed. **This product is not for use in engines using catalytic converters as the concentrated additive formulation will damage emission components.**

Typical properties:

Product: Venom Full Synthetic SJ Racing Motor Oil	
Product Code:	90243
SAE Viscosity	20W-50
Kinematic Viscosity @ 100 °C cSt (ASTM D-445)	19.8
Kinematic Viscosity @ 40 °C cSt (ASTM D-445)	140.0
Viscosity Index (ASTM D-2270)	163
Zn (ppm)	3000
Ca (ppm)	3000
